

MEET THE TEACHER!

Mrs Fish – Sycamore Class Teacher and EYFS Lead

The Basics!

Hi, nice to meet you, I am Mrs Fish. I grew up in Suffolk which is about 4 hours away from Trowbridge. I am kept busy at home with my cat Kiki, dog Merlin and husband Josh. In my free time I love to grow plants and recently renovated my garden. Baking is also lots of fun and I am trying to perfect chocolate brownies at the moment!

Interesting Information!

I have worked at The Grove since I qualified as a teacher and spent 5 years working as a Year 4 teacher. During Covid-19 I had the opportunity to work in EYFS and loved every minute of it. I eventually moved permanently to EYFS in 2022. Working with our youngest children is lovely as we are able to provide them with so many magical first experiences!

MY EDUCATION!

Music is a huge part of my life and I gained a Music Degree at Bath Spa University. I have a grade 8 certificate for playing the flute and clarinet and am now hugely passionate about providing children with musical opportunities during primary school. I run the KS2 choir and singing assemblies for the older children too.
