

MEET THE TEACHER!

Mrs Gingell – Laurel Class Teacher

THE BASICS

Hello, my name is Mrs Gingell! I have three grown up children, and 6 beautiful grandchildren. I have always lived in Trowbridge and even came to The Grove as a pupil when I was a little girl.

Interesting Information!

Outside of school I play netball for Trowbridge Netball club where I am a goal shooter! I am lucky enough to run a netball club at school so I can share my love of the sport. I am also a keen baker and love to share my bakes with the adults at The Grove. Dance is another interest of mine and I take children to the Dance Festival in Bath every year.

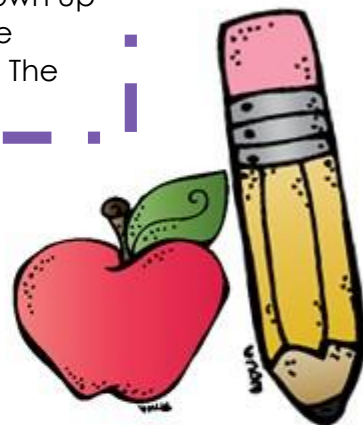

I have worked at The Grove for close to 30 years and have had many different roles over the years. I began as a parent helper, before coming a TA, then HLTA and eventually became a teacher. I have been an EYFS teacher for 3 years and it is my favourite place to teach. Working with EYFS children is magical and is full of laughter and fun!

MY EDUCATION

I completed a BA Hons in Early Childhood Education at Bath University in 2013. As part of my degree I gained a Forest School Qualification which helped grow my love of outdoor learning.
